

DIRECTORY AND MILITARY OPT-OUT INFORMATION

Occasionally, external agencies may contact the school to ask for a list of individuals and/or families that may benefit from their services. These outside agencies include but are not limited to the following: Tama County Food Bank, Dysart and La Porte City Lions Clubs (annual food drives), area churches, Adopt-A-Family, etc. The Union Community School District's directory information policy lets us share your information with these external agencies in a directory format. You have the right to refuse the designation of any or all of the categories of personally identifiable information as directory information with respect to your student provided that you notify the school district in writing no later than August 20th of the respective school year. If you desire to make such a refusal, please contact your school building for the required form.

Also as a result of the Patriot Act, schools are required to provide names and contact information of high school students to all military branches unless the parents or students "opt-out" and request that the information not be released. Please notify the school district no later than August 20th of the respective school year if you desire to make such a refusal.
