Union CSD Parents & Students:

Beginning Monday, October 5, 2020, Union CSD is offering to students who are utilizing remote learning online, are sick and out of school, or are in quarantine school lunch. The lunch will have to be requested online and picked up at Union High School for those who live in and around La Porte City, or at Union Middle School for those who live in and around Dysart. You will pick them up in the offices of the respective buildings. Reminder, masks are required inside the school buildings.

Parents must fill out an online form beginning no sooner than 2 p.m. the day prior and no later than 8:15 a.m. for each day they are requesting a meal so that the nutrition staff knows how much food to prepare. This electronic form can be found on the district website, <https://union.k12.ia.us/>. In the middle of the homepage you will find a button that says "At Home Learning Lunch Meals". Please click on this button to complete the form. Again, you must complete the form between 2 p.m. the day prior and 8:15 a.m. the day of the lunch you want. The menu is posted on the district website so you know in advance what is being prepared.

If you have questions regarding the form, please contact the building in which you would be picking up the meal.

Union High School: (319) 342-2697

Union Middle School: (319) 476-5100

All student meals are free until December 31, 2020 or until funds run out.
