100TH DAY OF SCHOOL WEDNESDAY

We are quickly approaching the 100th day of school that our students have attended. With a few snow days this month, the 100th day of school for students is now this upcoming Wednesday, February 2. Each classroom will be doing lessons and activities centered on the concepts of 100. Take time at home to talk to your child about what 100 means to them. Try counting 100 things, by either 1's, 2's, 5's, 10's, 20's and/or 25's. These different ways of counting will reinforce the basic concepts in math. This is a great teachable moment to incorporate math into our everyday activities.

HAWKINS MEMORIAL LIBRARY NEWS

- We've got a week of magnetic building fun with Magformers Monday, January 31 through Saturday, February 5. Bring the kids in after school.
- Borrow a book to learn a new craft or activity – beading, painting, weaving, cardboard creations, science projects, organization, parties, knitting, crocheting, and more from the books on our shelves.
- Patrons can check out jigsaw puzzles for adults and children from the library. This is good news for those of you that dash through puzzles – it will give you more choices. And if you have puzzles at home you are done with, please consider donating them to the library's collection.
