

Union Booster Club

Business Membership Form

The Union Booster Club is looking for your support for this upcoming school year! We help support sports, drama, and musical department activities.

The mission of the Union Booster Club is to work cooperatively with the Union Community School District to support the efforts of high school fine arts and sports activities recognized by the district, and to foster a sense of community and school spirit in the district. Recognizing that needs vary from activity to activity, Booster Club support may come in such forms as presence and encouragement at activities, providing needed volunteers, or in the form of financial support.

The activities below are approved and funded by the Board of Education and overseen by the Activities Director. The official listing of recognized activities will be provided and updated by the high school Activities Director. Current activities supported by the Booster Club include:
