

BOARD GOALS & STATEMENTS

SAFETY AND SECURITY

The Union Community School District Board of Education takes seriously the safety and security of all students and staff.

STUDENT ACHIEVEMENT

The Union Community School District Board of Education works to ensure that all students develop their abilities; realize and seize their opportunities; and become productive members of society.

DISTRICT FACILITIES PLANNING

The Union Community School District Board of Education commits to providing and maintaining excellent facilities that address the changing needs of our students, staff and community.

HIRE AND RETAIN QUALITY STAFF

The Union Community School District Board of Education encourages the recruitment, employment, support and retention of exceptional staff to maintain a positive, purposeful academic environment.

COMMUNICATION – INTERNAL AND EXTERNAL

The Union Community School District Board of Education supports accurate, clear, purposeful and timely communication to both external and internal stakeholders.
