IOWA SCHOOL ALERTS

If you are not currently receiving school alert notifications please go to the following website to sign up to receive delay/cancellation notifications. Since this is a PDF document the below link will not directly take you to this website, so you will have to do a google search for iowa school alerts or public gov delivery.

LUNCH MONEY REMINDERS

Just a reminder to parents to add money to your child's lunch account each month. We are getting more students running negative lunch balances. The Union Community School Board Policy 710.4 is stated below:

In accordance with state and federal law, the Union Community School District adopts the following policy to ensure school district employees, families, and students have a shared understanding of expectations regarding meal charges. The policy seeks to allow students to receive the nutrition they need to stay focused during the school day, prevent the overt identification of students with insufficient funds to pay for school meals, and maintain the financial integrity of the nonprofit school nutrition program.

Payment of Meals

Students do have use of a meal account. When the balance reaches \$-10.00 a student may charge no more than one (1) meal to this account. When an account reaches this limit, a student shall not be allowed to charge further meals or ala carte items until the negative account balance is paid. Parents or students can add money to their lunch accounts using on-line system or pay at the student's building of attendance.

HAWKINS MEMORIAL LIBRARY:

- BrainFlakes is the weekly activity Monday through Saturday, January 16 -21. Build with Brainflakes interlocking plastic discs, a creative and educational alternative to building blocks and a great STEM toy for both boys and girls.
- Encanto is the family movie showing on Monday, January 16, at 1:30 PM. In this Disney flick a Colombian teenage girl has to face the frustration of being the only member of her family without magical powers. Join us for popcorn and entertainment.
- Borrow a book to learn a new craft or activity – beading, painting, weaving, cardboard creations, science projects, organization, parties, knitting, crocheting, and more from the books on our shelves.
- Because Hawkins Memorial Library has limited space it is impossible to carry all of the books you may want to read. However, we can borrow almost anything requested from other Iowa libraries through our Interlibrary Loan Service as long as it is not a brand new book. Just ask.
