Union Community Schools Endowment Fund

About Union Community School District

The Union Community School District serves the communities of La Porte City and Dysart, as well as other townships, spanning over 256 square miles. The district has a storied history of offering a caring, purposeful and safe environment, in each attendance center, where all students can reach their full potential. We are proud to be Knights!

The Benefits of the Endowment Fund

The Union Community Schools Endowment Fund was established by stakeholders to help support the school district in fulfilling its mission of "Education to Meet Tomorrow's Challenges." Specifically, the fund is reserved to provide financial support to enhance experiences, ensure quality services, improve facilities, and generally help the school district be the best it can be on a daily basis.
