Re: District Needs Assessment Survey

Dear Parents/Guardians and Community Members:

Greetings from the Union Community School District! I certainly hope the school year is going well for all of you. From my point of view, we have had a tremendous start, and I certainly hope our success in the classroom, field, court or stage continues throughout 2023-2024.

At the August 21, 2023, meeting, the Union Community School District Board of Education approved doing a district needs assessment with the Iowa Association of School Boards. This decision adhered to the Iowa Department of Education’s recommendation of conducting this type of survey every three to five years and also to better align our district with the expectation of Iowa Code. The purpose of our needs assessment is, through your opinions and judgment, to assess the strengths and areas of growth for the Union Community School District.

The purpose of this correspondence, therefore, is to ask you to complete the Union Community School District Needs Assessment survey at the following link.

Just click on the link or paste it in your browser and follow the instructions. The survey takes approximately 10 minutes to complete, and all responses are anonymous.

Thank you, in advance, for your time and commitment to helping our district improve now and in the future. Go Knights!

Sincerely,

John Howard, Superintendent
